Dear Dr. Beebe:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting January 9-11, 2019, reviewed the Midterm Report and related evidentiary materials submitted by Santa Barbara City College. The purpose of the review was to determine the degree to which the institution has made progress in implementing its plans and improving outcomes related to student achievement.

After consideration of the Report, the Commission has determined that the institution's progress is appropriate and has accepted the report.

On behalf of the Commission, I wish to commend the evident achievements of the College as it continues its efforts in the best interests of its students. We look forward to working with the College as it prepares for its next comprehensive review.

Sincerely,

Richard Winn, Ed.D.
